

# Dr. Jeffrey Coleman

Keynote Speaker • Technologist • Author

## ABOUT DR. JEFFREY COLEMAN

Dr. Jeffrey Coleman is a technology leader, entrepreneur, and keynote speaker originally from the friendly shores of Lake Erie in Erie, Pennsylvania. As the author of *The Mother's Affect*, he blends personal resilience, military leadership, and more than 10 years in software development to help organizations navigate rapid change with confidence. From corporate innovation to emotional intelligence, Dr. Coleman brings a rare combination of technical depth and human-centered insight that empowers teams to rise above uncertainty, break generational cycles, and lead with purpose.

## SIGNATURE KEYNOTE TOPICS
